WORK EXPERIENCE

Intern – Backend/Data Entry Assistant SST College (Aug 2025 – Nov 2025)

- Managed and maintained student admission records using Microsoft Excel
- Performed data entry and data cleaning to ensure accuracy
- Organized student data for easy access and reporting
- Assisted in backend administrative tasks

EDUCATION

SST COLLEGE OF ARTS AND COMMERCE, Mumbai University B.Sc. Computer Science – 10 CGPA (Present – 2023)

R.D. NATIONAL COLLEGE, Bandra (W) – 43.80% (HSC 2022)

MAULANA AZAD ENGLISH HIGH SCHOOL – 74.80% (SSC 2020)

ACADEMIC & PERSONAL PROJECTS

SmartETL -Automated ETL & Analytics System:-

- Python, FastAPI , XGBoost , SQLite , Docker
- Live: etl-1-eq88.onrender.com
- Built automated ETL pipeline handling 50K–100K+ rows. Auto schema detection, smart data cleaning, outlier removal. Trains Ridge, Random Forest & XGBoost selects best model by R². Deployed via Docker on Render with CSV + SQLite output.

BI Reporter - Business Intelligence Automation Tool:-

- Python , Flask , OpenPyXL , Power BI
- Auto-generates professional 5-sheet Excel reports from any CSV/Excel file. Includes embedded charts, KPI tiles, ML revenue prediction, and Power BI integration guide.

Sales Intelligence SQL Engine :-

- Built SQL analytics engine that auto-loads CSV data into relational database and runs 15+ complex queries GROUP BY, JOINS, CTEs, Window Functions to extract business insights

AI Data Analyst Pro Gemini-Powered Analytics App:-

- Python, Flask, Gemini API, Plotly
- AI-powered analytics app with Google Gemini chat assistant. Auto-cleans data, generates Plotly visualizations, and shows ML metrics (R², RMSE). Supports CSV and Excel.

LEADERSHIP EXPERIENCE

Team Leader – Water Quality Testing Kit & Research Paper

- Led team through research, development, and testing phases.
- Presented research paper at CHM College, Ulhasnagar, Mumbai.

SKILLS

Python, SQL, Pandas, NumPy, Scikit-learn, XGBoost, Power BI, Excel, Plotly, FastAPI, Flask, Docker, MySQL, SQLite, MongoDB, Git, GitHub, ETL Pipeline, EDA, Feature Engineering, ML Modeling

ACHIEVEMENTS

-
- 1st Rank in SYCS and 2nd Rank in FYCS at SST College, Mumbai.
 - Led and presented research paper on Water Quality Testing Kit.
 - 3rd Position in National Level Reel Battle Competition.
